## October is **VOCATIONAL SERVICE MONTH**

Through vocational service, Rotarians are expected to adhere to and promote high ethical standards in all their business dealings, recognize the worthiness of all useful occupations, and contribute their professional expertise and skills to addressing societal problems and needs. Our club and its members share responsibility for promoting vocational service, such as developing projects that allow members to use their business and professional skills. Members are expected to contribute to these service projects and to conduct their respective business dealings in accordance with Rotary principles, such as the 4-WAY TEST.
